TERMS & DEFINITIONS

Community Service Hours

Students must complete 40 community service hours, at any time in secondary school, as part of their Ontario Secondary School Diploma (OSSD) requirements.

Compulsory Course

This is a specific course students must take that fulfills part of the Ontario Secondary School Diploma (OSSD) requirements.

Course Code

This six-character code describes the subject, grade level and stream or destination of a secondary school course.

Credit

A credit value of 1.0 is granted upon successfully completing a 110-hour course with a minimum of 50%.

Culminating Activity

Students will be asked to complete a course culminating activity, which is a major project for each course. There are a variety of assessment practices that teachers may use to address the individual learning styles of all students.

Education Quality and Accountability Office (EQAO) Gr. 9 Assessment of Mathematics

This provides individual and system data on student knowledge and skills based on the curriculum expectations in Grade 9 applied and academic programs. All students in these programs are required to participate.

Exams

Students may write an exam, which tests their knowledge on the entire course work, at or near the end of the semester.

Optional Courses

Students will select 12 courses that are of specific interest to them and which will count towards the 30 credit OSSD requirement.

Ontario Secondary School Diploma (OSSD)

The Ontario Secondary School Diploma is granted after fulfilling all the necessary credit, literacy and community service hour requirements.

Ontario Secondary School Literacy Test (OSSLT)

Managed by EQAO, the literacy test is written in Grade 10. A student must pass the literacy requirement to earn the OSSD. The purpose of this test is to ensure that students have acquired the essential reading and writing skills that apply to all subject areas up to the end of Grade 9.

Prerequisite Course

This is a specific course students must successfully complete before taking another course at the next grade level.

Semester

The school year is divided into two 90 day semesters. A student will take four courses in each semester.

Student Success

Secondary schools have staff and programs in place to support and improve student learning.

Timetable

A timetable outlines the course, time, room number, teacher and semester in which students will take all of their courses.

DECODING A COURSE CODE

These letters identify the subject.

Subject codes: The first letter in the course code denotes the course's department area.

A = Arts

B = Business

C = Canadian & World Studies

E = Enalish

F = French

G = Guidance & Career Studies

H = Humanities & Social Science

L = International Languages

M = Mathematics

P = Physical Education

S = Science

T= Technology

This number identifies the grade:

1 = Grade 93 = Grade 11

2 = Grade 104 = Grade 12

This letter identifies the course type.

Grade 9 - 10:

Grade 11 - 12:

D = Academic

U - University

P = Applied

M - Mixed

L = Locally Developed C - College

O = Open

O - Open

This school identifier is used to distinguish course characteristics

I = Common Code F = Female M = Male

Courses use a six-character course code for identification

The first five characters of the course code are set by the Ministry of Education. The sixth character is used by school boards to identify a specific characteristic of the course, for example, Co-operative Education.

A TIMETABLE

Gr. 9 Semester 1: **September - January**

Period	Time	Day 1	Day 2	
1	9:00 am - 10:15 am	ENG1D1-01 Major, M. 109	ENG1D1-01 Major, M. 109	
2	10:20 am - 11:35 am	MFM1P1-01 Britton, A. 105	MFM1P1-01 Britton, A. 105	
LUNCH	11:35 am - 12: 35 pm

LET'S GRADUATE!

Ontario Secondary School Diploma

The OSSD is the diploma that students work towards achieving in high school. Every secondary school student must successfully complete the following requirements:

- 30 credits 18 compulsory and 12 optional
- Ontario Secondary School Literacy Requirement
- 40 Community Service Hours

What you should know...

How do I earn a credit?

 You must earn a final grade of 50% or more in a course to earn a credit.

How many credits can I earn each year?

 The table below outlines a typical student's credits and credit totals year by year.

On Manholica	Gr. 9	Gr. 10	Gr. 11	Gr. 12
Credits	8	8	8	6-8
Total	8	16	24	30-32

What will happen if I fail the literacy test?

 You will be given opportunities to repeat the test or take the Ontario Secondary School Literacy Course in its place.

When can I start to earn my 40 hours of community service?

- After graduating from grade 8
- Community service hours must not be scheduled during class time.

What happens if I fail a course?

- You need to meet with your Guidance counselor or Student Success teacher to learn about the following options that might be available to you:
 - Repeating the course the next semester.
 - Completing the course at Summer School.
- Recovering the credit in Credit Recovery.

18 Compulsory Credits	Credits Required
English (1 per grade)	4
Math (at least 1 in Grades 11 or 12)	3
Science	2
French (Grade 9)	1
Canadi <mark>an Geograph</mark> y (Grade 9)	1
Canadian History (Grade 10)	1
The Arts	1
Health and Physical Education	1
Civics (Grade 10)	0.5
Careers (Grade 10)	0.5

*Note: A maximum of two Co-operative Education credits can be used to fulfill compulsory requirements under Group 1, 2 or 3.

12 Optional Credits

Literacy Requirements

- Ontario Secondary School Literacy Test Community Service Hours Requirements
- 40 Hour completed over 4 years

CHOOSING COURSES

Academic, Applied or Locally Developed

You will be asked to select a course type for Grade 9 compulsory courses (English, French, Geography, Math and Science). Read the information below to get a better idea of what course type is best for you. If you are uncertain, get help from your teacher or the Guidance department. They will be able to advise you.

Course Types Academic "D"

Students will learn the essential concepts of a subject and explore related materials. Emphasis will be on theory and abstract thinking as a basis for future learning. Students should be working consistently at or above Level 2+, 3 or 4 in Grade 8. Students should be independent learners with learning skills at the "good to "excellent" level.

Applied "P"

Students will learn the essential concepts of a subject. Emphasis will be on the practical and hands-on applications of the concepts. Students should be working consistently at Level 1+, 2- or 2 in Grade 8. Students are generally less independent learners and require greater teacher direction and instruction.

Locally Developed "L"

Students will learn the most essential concepts of a subject. School staff generally recommend these courses for students with specific learning needs. Students should be working consistently at Level 1 or below in Grade 8 or on expectations from a lower grade. Students require greater teacher direction and instruction to accommodate learning needs.

Open "O"

Students will learn concepts and skills designed to prepare for further study in the subject area. Expectations are designed and appropriate for all students. Generally, the optional courses(such as Physical Education, Art, etc.) are offered in the Open pathway.

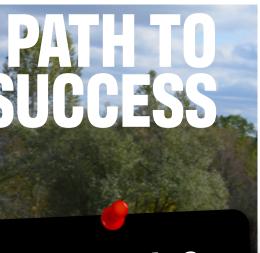

Is there somewhere or someone I can go to for help if I have questions about a course selection?

Yes. Your classroom teacher can assist you with selecting courses. You can also attend our secondary school information evenings for assistance or call the school for more information. Don't forget that your parents/guardians will also be helpful in providing advice and assisting you with your planning.

Do all the courses I select have to be the sameacademic, applied or locally developed?

No. You are encouraged to take the one that best suits your needs and/or abilities. You can select a variety of courses.

How Schools Can Help Students

Secondary schools have a variety of programs and resources available to students to ensure their success:

- Homework websites posted by individual teachers for students to access daily homework assignments and due dates
- Additional one-on-one assistance from classroom teachers
- Summer School Programs
- Credit Recovery Programs
- Student Success Teacher support
- Guidance Counselor support
- Attendance Counselor support
- Social and Child and Youth Workers

WHAT PARENTS NEED TO KNOW

Find out what is available to you and your child to ensure success in secondary school.

- 1. Co-operative Education The Co-operative Education Program integrates classroom theory with practical experience. Students divide their time between the school and the workplace. This opportunity is offered to Grade 11 and 12s.
- 2. Ontario Youth Apprenticeship Program (OYAP) This Co-operative Education Program gives senior students an opportunity to begin a career in a skilled trade while attending high school.
- **3. Dual Credit Programs** Georgian College students can earn credits that can be applied towards both their secondary school diploma and their postsecondary diploma, degree or apprenticeship certification.
- 4. Specialist High Skills Major (SHSM) - The Specialist High Skills Major (SHSM) is a Ministry of Education approved program that allows students to focus their learning on a specific economic sectors while meeting the requirements of the Ontario Secondary School Diploma (OSSD). SHSMs assist students in their transition from secondary school to apprenticeship, college. university, or the workplace. We offer SHSMs in Construction, **Health and Wellness, Transpor**tation and The Environment.
- 5. **Student Success Teams** Each secondary school has a dedicated team that supports students to ensure they earn the credits they need to graduate.

Definition of In-Risk

According to the Ministry of Education, the following students may be considered **in-risk** of not being successful in their courses, which significantly reduces their chances of graduating.

- Elementary students who are performing at level 1 or below grade expectation.
- Secondary students who are performing significantly below the provincial standard, earning marks in the low 50s or 60s, and who do not have the foundations to be successful in the next curriculum.
- Students who are disengaged from classes for a variety of reasons, which tend to be reflected in poor attendance.
- Students who are skipping classes.
- Students who are performing poorly on assessments.

HOW PARENTS CAN HELP STUDENTS

Parents can help students be successful in secondary school by doing the following:

- Be aware of your child's strengths and weaknesses. This will allow you to help your child choose the appropriate courses.
- Closely monitor your child's attendance.
 Continue to notify the school should your child be absent from school.
- Communicate with your child's teachers on a regular basis.
- Closely monitor your child's progress.
- Report card cycle:
 - Interim reports are distributed in October and March
 - Mid-term reports are distributed in November and April
 - Final reports are distributed in February and July
 - Parent/teacher interviews are typically held in October and March.
- Be aware that your child will typically have four teachers per semester.
 - Know who to turn to for answers.
 Support for students includes:
 - Student Success Teachers
 - Guidance Counselors
 - Special Education Teachers
 - Vice Principals and Principals

SKILLS FOR SUCCESS

Striving to be successful in each learning skill will ensure overall academic success.

Responsibility

- Fulfills responsibilities and commitments within the learning environment
- Completes and submits class work, homework and assignments according to agreed-upon timelines
- Takes responsibility for and manages own behaviour

Organization

- Devises and follows a plan and process for completing work and tasks
- Establishes priorities and manages time to complete tasks and achieve goals
- Identifies, gathers, evaluates and uses information, technology and resources to complete tasks

Self-Regulation

- Sets own individual goals and monitors progress towards achieving them
- Seeks clarification or assistance when needed
- Assesses and reflects critically on own strengths, needs and interests
- Identifies learning opportunities, choices and strategies to meet personal needs and achieve goals
- Perseveres and makes an effort when responding to challenges

Collaboration

- Accepts various roles and an equitable share of work in a group
- Responds positively to the ideas, opinions, values and traditions of others
- Builds healthy peer-to-peer relationships through personal and media-assisted interactions
- Shares information, resources and expertise and promotes critical thinking to solve problems and make decisions

Initiative

- Looks for and acts on new ideas and opportunities for learning
- Demonstrates the capacity for innovations and a willingness to take risks
- Demonstrates curiosity and interest in learning
- Approaches new tasks with a positive attitude
- Recognizes and advocates appropriately for the rights of self and others

Independent Work

- Monitors, assesses and revises plans independently to complete tasks and meet goals
- Uses class time appropriately to complete tasks
- Follows instructions with minimal supervision.

21st Century Transferable Skills

As we prepare for a new world of work, broader transferable skills are becoming very important for many employers. These include:

- critical thinking
- creativity & innovation
- self-directed learning
- collaboration
- communication
- citizenship

ON THE PATH TOWARD SUCCESS

As parents, you can focus on a few key areas that can positively impact your child's opportunity for success. A few examples include:

Attendance

Recommendations

- Students attend school each day
- Students arrive to class on time.

Warning Signs

- Your child is missing school more than 10% of the time.
- Your child's report card shows more absences than you expected.

Strategies

- Discuss your child's attendance record with the school administration and plan to ensure regular attendance.
- If your child is absent, ensure missed work is completed and submitted.

Homework and Submission of Assignments

Recommendations

- Grade 7-9 students should spend 45 to 90 minutes on daily homework.
- Grade 10-12 students should spend 1.5 to 3 hours on daily homework

Warning Signs

 If you do not see your child doing homework regularly or your child says "I don't have homework" on a regular basis.

Strategies

10

- Contact the school or teacher and get informed about the situation
- A student should be reading and studying for the time recommended each day.

Organization and Time Management

Recommendations

- Students are taking accurate notes and keeping binders well organized.
- Students are using an agenda to plan for assignment completion and evaluations.

Warning Signs

- · Your child does not have or use an agenda
- Your child's notebooks are disorganized and appear incomplete.

Strategies

- Obtain an agenda for your child.
- Monitor the use of the agenda and notebooks.

TIPS FROM SECONDARY SCHOOL STUDENTS

Money

Each school will charge a voluntary student activity fee which covers many student activities planned throughout the year. Fees may also be charged for participation in clubs and school teams to cover extraordinary costs.

Tip:

 Keep extra change in your locker for unexpected purchases, such as a snack from the cafeteria.

Be Prepared

Obtain general school supplies during the summer. Teachers will let you know if you need specific course supplies on the first day of class.

Tip:

 Exchange phone numbers with a class buddy who can pick up notes or homework for you if you are absent from school.

Getting Good Grades

Getting good grades is easier if you follow these tips from students.

Tips:

- Attend and participate in all classes.
- Plan a regular time to study each evening,
- Balance recreational activities with school work.

Locks/lockers and books

You will be given your own lock and locker. Keep your lock combination a secret to protect the belongings you have in your locker.

Tip:

 You don't need to carry all your books for the day at all times. Store some in your locker and return to your locker during the day to exchange books.

Relationships

Building positive relationships with your teachers and classmates will make school a great place - one that is more than just books and classes
Tip:

- Build new friendships by joining clubs and teams.
 You will be happy you did.
- Know when and where teachers offer extra help or ask them for help when needed.

Get Involved

Our school offers many different sports, clubs, and activities. There's something for everyone to enjoy, and getting involved is a great way to make new friends.

Tip:

 Try things that benefit you by choosing activities that match your strengths, Or challenge yourself by trying something completely new.
